INSTRUCTIONS

- Submit this completed form to Arrowhead Public Safety via email to AHpublicsafety@vailresorts.com or in person at the main gatehouse

- Public Safety will verify ownership and enter your information into the database.

- You will then receive an email from ProdataKey Cloud Systems (invites@accounts.pdk.io) saying that your ProdataKey Credential is Ready. IMPORTANT – you must open the email on the cell phone that will be using the app.

- Follow the instructions in the email:
    - Install the ProdataKey mobile app
    - Return to the email from ProdataKey and click on the Activate button.
    - *For those of you who have Microsoft on your cell phone – select the option "open in the external app".*

- This will open the app and within moments, access will be granted, and you will see Arrowhead Colorado listed under locations.

*The cell phone number of the phone that each resident will use for access

**The email address must be one that is recognized by the person's cell phone that they will be using for access

Signature	Date
